End Child Abuse Long Beach is an all-volunteer organization (501(c)3 - tax id: 95-3471685 - contributions are 100% tax deductible). We conduct presentations in the Long Beach Unified School District 4th and 5th grade classrooms informing students how to:

- Recognize child abuse per California State Law
- Understand why child abuse happens
- Distinguish between discipline and abuse per California State Law
- Understand the generational cycle of abuse
- Obtain help when necessary

End Child Abuse Long Beach has served the Long Beach community since 1990. To support these efforts, we need your help in purchasing materials and supplies for our presentations. All donations go towards these materials and supplies which include first-class videos shown in the classroom and "Hot Line" resource cards given to the students.

Your generous donations will be recognized on our website with options of your business, individual name, address, phone, or a link to your web site. Please indicate how you would like your information to be displayed.

Contributions are 100% tax deductible and are used exclusively to purchase materials and supplies.
